A New Opportunity to Promote Your Business

Phoenixville area residents want to know about your business

March, 2008

You can support a valuable community asset and advertise your business for a great price at the same time!

The Phoenixville Area Time Bank (PATB) Yellow Pages Guide to Area Businesses will be distributed to our membership of 130 in electronic and print format.

We will distribute print copies to a variety of area venues, reaching a broader audience. It will also go out electronically to several local websites, including the Chamber of Commerce.

The ad will be a copy of your business card and cost \$50 annually. The pages of the print version of the guide will be 5 1/2" x 8 1/2" and hold three ads, each slightly larger than the size of your business card. The guides will be updated quarterly and new businesses will be added to the portable electronic version immediately.

To assure a place for your ad in the next issue of the PATB Yellow Pages Guide to Area Businesses, submit your ad request form, business card and payment (checks made out to "PA Time Bank") by mail or online.
