A New Opportunity to Promote Your Business

Phoenixville area residents want to know about your business

January, 2008

You can support a valuable community asset and advertise your business for a great price at the same time!

The Phoenixville Area Time Bank (PATB) Yellow Book Guide to Area Businesses will be distributed to our membership of 130 in electronic and print format.

We will distribute print copies to a variety of area venues, reaching a broader audience. It will also go out electronically to several local websites, including the Chamber of Commerce.

The ad cost is \$50 annually. The guides will be updated quarterly and new businesses will be added to the portable electronic version immediately.

Fill out the ad request form, attach your business card and hand it to the PATB volunteer, or mail, along with check for \$50.00 made out to "PA Time Bank" to the address below.
